Player Development Programme (PDP) Screening application **2023/2024**

For the attention of Parents & Guardians -

please read all of the information below before you complete the online application

The PDP Programme runs annually October to May and aims to develop talented players on their first step on the England Netball performance pathway. We develop their netball skills, educating them and introducing them to the more pressurised environment of higher-level netball and supporting them to move further up the performance pathway.

Training sessions are on a Monday evening, U15 6.30pm-8.30pm @ Marston Vale, Stewartby, Bedford and U13 6-8pm @ Trinity Leisure Centre, Bedford. The cost for the programme is £175. We have access to a County hardship fund for anyone needing to apply for a funding subsidy. For more details on this contact Jackie Stigwood stigwo.fam1@virginmedia.com

- This application is for players who have **NOT** been in the 2022/2023 Player Development Programme (PDP) before.
- All trial applications **MUST** be endorsed by a netball club coach or school teacher who has knowledge of the England Netball performance pathway selection criteria. This is because the U15 and U13 County Player Development Programme forms the first two tiers of this pathway.
